

Rebadging Program

The Office of Security has initiated a program to rephotograph all employees in the Headquarters complex who entered on duty prior to 1 June 1968. The scheduling of personnel for photographs will be coordinated through the Administrative Officer of each component.

Headquarters Building personnel will be photographed in a temporary studio located in Room GB-23. Upon completion of the Headquarters phase, the temporary studio will be relocated to the [REDACTED] and other centrally located Agency facilities.
